The Rock collection:

On a warm summer day Johnny Mokbel and I went hiking at Mount Sannine. The peaceful feeling and overwhelming beauty at the mountain top triggered what is now known as the Rock collection a limited-edition of nine numbered large scale abstract paintings beautifully depicting the beaded rocky mountains of Sannine

Daytime, night and the seasons are flowing in each painting inciting the viewer for an immersive experience that command the senses.

I am thrilled to have Johnny Mokbel, a prominent art collector, as a consultant on this limited edition series.
